

Dr. Dwideep Chandra
Presents...

VG MASTER CLASS I

A High-Impact CME for Safe, Confident Clinical Practice

A powerful full-day academic program designed to help doctors reduce risk, improve decision-making, and confidently manage complications—while also learning how to safely expand and grow their clinical practice.

Reduce risk • Decide better • Handle safely

Real world decision, Risk reduction, Practical protocols, Learn from complications

PRACTICE SAFER. DECIDE SMARTER. TREAT CONFIDENTLY!

DATE: May 17, 2026

Venue: Gokulam Grand, Kozhikode

WHAT WILL YOU DO IF...

- Your patient's BP is high on the day of a procedure?
- Routine case suddenly turns into an emergency?
- A high-risk patient requests a minor procedure?
- You're unsure which patients are safe for clinic procedures?
- Your clinic is growing... but you fear the "things went wrong" day?

These are real clinical moments. Are you prepared?
